

How to upload your full paper if you haven't previously sent an abstract

1. Go to www.conftool.com/keer2022 and log in with your username and password. If it's your first time, click on the create account and submit contribution button and fill the form for creating an account in the system.
2. Click on Your Submissions and choose **Full Paper Submission**

Submit Contribution

You may now submit a contribution for this event. Please select a submission type or a track. Remember to click the "Save Submission" button on the second screen!

- ▷ **Abstract Submission (The submission of new contributions is closed)**
Abstract submission is now closed.
If you submitted an abstract to the conference and your abstract was accepted, it will be already copied under the full paper submission type. You can then upload your full paper.
If you didn't submitted an abstract but you want to directly submit a full paper, you can do so from the full paper submission type (in this case, you have to first add your abstract, just follow the forms step by step).
